To access Edgenuity at home use the following URL:

learn.education2020.com

Then click ‘student’ and use the login information found on your schedule. (1alpha/2alpha and rma21 as the password).

**DO NOT** use Vportal to log into Edgenuity, this will point you to the wrong website. Clear your internet cache and history and use the link provided above. If you are still having problems logging in, contact the school for additional help.
